

Skills

Hard Skills: HTML/CSS, JavaScript, Java, Generative AI
Soft Skills: Communication, Time Management, Teamwork, Problem-Solving, Active Listening

Technical Projects

NUMBER GUESSING GAME2025

Java
[🔗 GitHub Repository](#) [🔗 Live Demo](#)

this project is developed using java in this game ,the system generate random number and user guessing that number.after each guess the program provide feedback such as too high or too low to guide the user. the game continue until the user guesses the current number.

ANIMAL BLOG CARDS WEBPAGE2026

HTML/CSS
[🔗 GitHub Repository](#) [🔗 Live Demo](#)

- Animal Blog Cards is a responsive webpage developed using HTML and CSS.
- It presents animal-themed blog posts with images, dates, descriptions, and engagement statistics.
- The project uses Flexbox, hover animations, and card-based layouts to create an attractive, modern interface for learning.

MEDIUM WEBSITE CLONE2026

HTML/CSS
[🔗 GitHub Repository](#) [🔗 Live Demo](#)

- The project replicates Medium's homepage with a clean, responsive design using HTML and CSS.
- It demonstrates skills in creating user-friendly layouts and visual consistency across devices.
- This clone showcases attention to detail in front-end development and layout design.

Problem Solving & Data Structures

[🔗 LeetCode](#)

I strengthened my problem-solving skills by addressing pattern-based and logic challenges, analyzing their time complexity, and developing optimized solutions using Java in VS Code. This experience enhanced my ability to write efficient, reliable code and approach complex programming problems analytically, leveraging my understanding of loops, arrays, and algorithmic techniques.

Education

Shri Ramswaroop Memorial University
B.Tech | Computer Science Engineering (2024 -2028)

Shri Ramswaroop University
B. Tech / BE | Computer Science (2028)
CGPA: 7.3

KENDRIYA VIDYALAYA MHOW
Class XII (2023)
Percentage: 68.2

KENDRIYA VIDYALAYA MHOW
Class X (2021)
Percentage: 73

Certifications

- [Introduction to GENERATIVE AI](#) - National Institute of Electronics and Information Technology-NIELIT (June 2026 - June 2026)
Skills learned: Generative AI
- [VIVEKA -Codex](#) - Shri Ramswaroop Memorial University (February 2026 -February 2026)
Skills learned: HTML/CSS, Java, Competitive Analysis
